**COVID-19 IMPACT ON THE COMPANY**

The Company's business was significantly impacted from February 2020 as a result of the increasing spread of the COVID-19 pandemic. This became more pronounced in the last week of March 2020. Your Company as a prime healthcare service provider has taken all standard, mandatory and precautionary protections as per the guidelines issued by the Ministry of Health and Family Welfare, Government of India and Government of Uttar Pradesh to ensure that the Doctors, Nurses, Staff and Para Medical Team and all patients are safe. Hygiene procedures like Wearing Face Masks, Using Hand Wash / Rub and Social Distancing was implemented extensively across the Hospital.

Your company was able to run the limited operations with great difficulties as it implemented the preventive safeguard measures as an abundant caution much before the guidelines were issued by the Central/State governments. Due to the restrictions from Central/State as to health services to be provided and on limitation of the manpower and social distancing norms, we experienced limited operations and bed occupancy in the hospital. **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

Management Discussion and Analysis Report as required under regulation 34 read with Schedule V of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, is as under:

**INDIAN HEALTHCARE SECTOR : AN OVERVIEW**

Healthcare is one of India's largest sectors both in terms of revenue and employment. Healthcare comprises hospitals, medical devices, pharmaceutical, clinical trials, telemedicine, medical tourism, health insurance and diagnostics. The Indian healthcare delivery system is categorised into two major components - public and private. The Government, i.e. public healthcare system comprises limited secondary and tertiary care institutions in key cities and provides basic healthcare through primary healthcare centres (PHCs) in rural areas. The private sector provides majority of secondary, tertiary and quaternary care institutions with a major concentration in metros, tier I and tier II cities.

The Indian Healthcare Industry continues to be characterised by strong growth drivers of our country such as rising income levels, ageing population, growing health awareness and changing attitude towards preventive healthcare; we believe these are compelling reasons for the increase in healthcare services demand in the future. The COVID- 19 pandemic is expected to further accelerate this demand for healthcare services. In addition, low cost and better value driven outcomes has resulted in the rise in the country's medical tourism, attracting patients from across the world.

**GLOBAL ECONOMY BEING IMPACTED DUE TO COVID-19**

The COVID-19 pandemic has disrupted global supply chains and international trade. With over 200 countries closing national borders during April & May 2020, the movement of people and tourism flows have come to a halt. According to United Nations (UN), it is being estimated that the global economy could shrink by up to 1% in 2020 due to the pandemic, a reversal from the previous forecast of 2.5% growth. The Global economy may contract even further if restrictions on the economic activities are extended without adequate fiscal responses.

**COVID-19 – IMPACT ON INDIA AND THE ECONOMY**

India announced a nationwide lockdown on Mar 24, 2020 to control the spread of Covid – 19 and began easing lockdown restrictions after a month and a half in the beginning of May. The effect of the state-wide lockdowns/ curfews and the national level lockdown has been a closure of all commercial and private establishments and suspension of all transportation services (save and except transportation involving movement of essential goods and services).

Most multilateral agencies and credit rating agencies have revised their 2020 and 2021 growth projections for India keeping in view the negative impact of coronavirus-induced travel restrictions, supply chain disruptions, subdued consumption and investment levels on the growth of both global and the Indian economy. The International Monetary Fund (IMF) reduced its FY21 growth projection for India to 1.9% from 5.8% projected in January 2020.

**SEGMENT WISE/COMPANY WISE PERFORMANCE**

The Company is engaged mainly in the segment of providing Medical & Health-care Services to the public at large.

**OUTLOOK AND COMPANY OVERVIEW**

The outbreak of the COVID-19 pandemic and consequent nationwide lockdown and other restrictions imposed by the government on movement across the country since March 24, 2020 is expected to severely affect the economic growth during FY 2020-21, especially in the first quarter.

At Dhanvantri, diagnostic and therapeutic services are being provided in the field of Urology, Cardiology, Neurology, Internal Medicine and Radiology. It has extended its scope of diagnostic and hospital services by providing a fully operational Cath Lab, catering to higher end needs of the cardiac patients including Angiography, Angioplasty, Pacemaker Implantation, Valvuloplasty etc. The medical equipment and technology used are latest and are continuously upgraded. We have excellent senior medical teams who can ensure high class of medical care.

**OPPORTUNITIES**

Poor nutrition, physical inactivity, long working hours, increase in stress levels, and increase use of tobacco and alcohol are some of the rising negative trends and habits due to increased urbanization and problems related to modern-day livings in urban settings.

Today, India has successfully evolved into a leading destination for the international cost-conscious medical traveler. Apart from the inherent cost advantage, high clinical success rates, top quality medical professionals, rapid adoption of technology and an increased number of globally accredited facilities have strengthened India's position as a preferred destination for medical tourism.

**THREATS**

**Rising Costs:** Input costs in healthcare are rising. Minimum wage revisions are underway in several categories of manpower; real estate continues to inflate; and import cost of equipment and consumables are high consequent to increase in INR / USD rate. Increased competition has also meant that compensation expectations for skilled manpower will go up.

**Human Resources:** Shortage of skilled manpower is an acute problem in this sector. Unless immediate steps are taken to increase the number of doctors, nurses and paramedical personnel, the shortage will lead to prohibitive costs and derail the industry in general.

**Regulatory interventions:** The intrinsic value of a service is more than just the cost of inputs. Any attempt to regulate the prices of healthcare inputs without providing for the comprehensive costs of providing quality services, will compromise the quality of care.

**Medical Education:** Brain Drain and inability to retain quality faculty will have a lasting impact on the quality of doctors graduating out of the medical school.

DHANVANTRI JEEVAN REKHA LIMITED**

### **Report on the Financial Statements**

#### **Opinion**

We have audited the accompanying standalone Ind AS financial statements of M/s DHANVANTRI JEEVAN REKHA LIMITED ('the Company'), which comprise the Balance Sheet as at 31st March 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020, and the loss and total comprehensive income(loss), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Dhanvantri Jeevan Rekha Limited**  
on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (Referred to in paragraph 1(A)(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

## **Opinion**

We have audited the internal financial controls with reference to standalone financial statements of Dhanvantri Jeevan Rekha Limited (“the Company”) as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year then ended. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

## **Management’s Responsibility for Internal Financial Controls**

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”)

## **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

## **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
